\$1.3M FUNDING 'CRUCIAL' FOR THE FUTURE OF ARTS IN THE ACT

Sixty-one individual artists, arts groups and organisations will share in more than \$1.3 million from the 2010 ACT Arts Fund.

Chief Minister and Minister for the Arts and Heritage Jon Stanhope MLA today announced the successful applicants for funding describing it as "critical" for the arts sector.

"Supporting our artists, arts groups and organisations is critical to the development and sustainability of our diverse arts sector and ensures our community can access and participate in the arts," Mr Stanhope said.

"The 2010 ACT Arts Fund will support all art forms including dance, theatre, literature, music, film, visual arts, community arts, digital arts and new media.

"The arts play a crucial role in ensuring a vibrant ACT community. The arts are an important part of our everyday lives, whether it is reading a book, going to the movies, seeing a play or listening to music," Mr Stanhope said.

The \$10,000 ACT Book of the Year Award, the \$20,000 ACT Poetry Prize and two ACT Creative Arts Fellowships of \$45,000 each will be announced by the end of the year.

Successful applicants to the Key Arts Organisations Funding, Program Funding, Project and Community Arts Funding categories of the 2010 ACT Arts Fund, are attached.
