MEMBERSHIP APPLICATION / RENEWAL 2012

Basic Objectives of the Association:

- To encourage and support artists and craftspeople in their continued practice.
- To provide studio facilities and work environments which will enable Association members to continue working.
- To promote the activities and reputation of the Association and its individual members through exhibitions, demonstrations, lectures, writings, and seminar / conference participation.
- To encourage general public interest and involvement in the arts through workshops, exhibitions, demonstrations, and other activities.
- To invite artists to participate in the activities of the Association in order to enhance the vitality of an artistic working environment and the reputation of the Association.

What Does Your Membership Provide?
